Toddler Tracks

New for Ages 1 to 3

Toddler Tracks is a chance for our very youngest learners to experience guided time in nature with their parent/guardian. It will be similar to Growing Up WILD (classes for ages 3 to 6) but geared toward younger learners. We will meet in the classroom. This month, we will explore who lives in a pond.

- Program fee is \$10. Register at <https://register.ccparkandrec.com>.
- All children attending must be accompanied by an adult.
