CITY OF CORPUS CHRISTI - DEVELOPMENT SERVICES IRRIGATION INSPECTION FORM

Property Address: _____

- Provide a designed, sealed irrigation plan by a licensed irrigator as per TCEQ Title 30, Texas Administrative Code (TAC) Chapter 344, Subchapter F, Section 344.60 -344.65 for your permit application.
- The permit is issued by the Development Services Department of the City of Corpus Christi as per the Technical Construction Code Section 14-217.
- Install a backflow prevention assembly as per the International Plumbing Code Section 608.16.5.
- Install a rain or moisture shut-off device as per TCEQ Title 30 TAC Section 344.62 (j).
- Install an isolation valve between the meter and the backflow preventer as per TCEQ Title 30 TAC Section 344.62 (k).
- Spacing of the heads will be as per TCEQ Title 30 TAC Section 344.62 (b).
- Prohibited direction of water spray will comply with TCEQ Title 30 TAC Section 344.62 (g).
- Provide the inspector with a copy of the maintenance checklist which has been signed, and dated by the owner or the owner's representative and the irrigator or the irrigation technician with the irrigator's seal as per TCEQ Title 30 TAC Section 344.63 (2).
- Install a permanent sticker on each controller as per TCEQ Title 30 TAC Section 344.63 (3).
- Provide the owner or the owner's representative with a set of as built plans as per TCEQ Title 30 TAC Section 344.63 (4).
- Should the property have an On Site Sewage Facility (OSSF), obtain a site drawing of the facility's waste water dispersal field from the Health Department. Note: the irrigation system shall not spray onto the dispersal field

I certify the irrigation system has been installed and complies with all rules and regulations as per TCEQ Title 30 Texas Administrative Code Chapter 344 Rules for Landscape Irrigation, 2003 International Plumbing Code and the City of Corpus Christi Technical Construction Codes.
